Tiburon G2

The perfect balance between the widest possible viewing cone and the best possible viewing conditions. For applications without proper light control. The shade of gray is held super tight to spectral neutrality, no shift in color of any type.

- Material color: Gray
- Gain 0.8
- Half gain viewing angle: 80 degrees
- Super smooth surface
- Extremely durable
- Washable and mildew resistant
- Flame retardant
- Available in fixed frame and electric roll down applications
- Greenguard™ Certified
